

Schedule of Events

- **Fall schedule begins on Monday, August 1!** Be sure to check out our new schedule! If you haven't received it in the mail (snail mail) PLEASE email us and let us know. Our schedule is very similar to last years with a few minor adjustments. But we want to make sure you know your times.
- **T-Shirts are in!** If you have been waiting for a specific size, we have them in! We have black and red shirts in. School t-shirts are allowed in the dojo until the winter months. Be sure to pick yours up and wear it proud!
- **FALL STUDENT DRIVE!** We need you to spread the word about Burch's Karate! Would you like a \$20 gift card to your choice of Toys R Us, Target or iTunes? The months of August and September... for EVERY student you get to register for our program, we will give you a \$20 gift card for one of the stores listed above!!!
- Please take note that our **Promotion** times will be moving to 6:30 from now on. We hope this helps for families with younger kiddos.
- **School is beginning.** Some may be excited, some are dreading it. We ask parents that IF there are ANY issues at school with your child...PLEASE do NOT take karate away!! Take something else of value away (video games/computer etc). There are things that Mr. Burch can do to help improve school issues. Remember, we are a team and we are here to help! Talk to your child and tell him/her that he/she has to talk to Mr. Burch about what is going on if things do not improve. If things do not improve than follow thru. Karate is a tool to help in school and communication with us is EVERYTHING. So please use us to help!
- Be sure to check for our **crazy days** this month! If you are wearing what theme it is for that day then you get a TREAT!!!
